Verification of quality management system

I hereby confirm that I have reviewed the management system in Elearningforce International ApS to verify that it meets the requirements of ISO 9001:2015. Elearningforce International ApS demonstrates ability to consistently provide products and services that meet customer and applicable statutory and regulatory requirements and aims to enhance customer satisfaction through the effective application of the system.

The adoption of a quality management system is a strategic decision for Elearningforce International ApS as it that can help them improve its overall performance and provide a sound basis for sustainable development initiatives.

The management system is certified according to ISO 27001:2013 and I can verify that the scope of the management system has been extended to meet the requirements of ISO 9001:2015.

The compliance will be re-evaluated by an internal audit ones a year. This verification is therefor valid until February 13th 2025.

Kolding, February 20, 2024
